MEMORANDUM FOR: Director of Information Technology

FROM:

[REDACTED]

Director of Information Resources

SUBJECT:

Commendation

[REDACTED]

*Ed*

1. Since the formation of the Office of Information Resources this past June, many new issues have come to the surface. My staff and I have called on [REDACTED] several times for information and clarification of these issues. He has not only been prompt in his support but has also demonstrated his outstanding understanding of the issues.

2. The similarities of the issues our two offices face make it extremely important that we maintain communication at all levels. Please pass on to your staff, particularly Rich, my appreciation for their support.
